

SANITIZED® TILE & GROUT SEALER

DESCRIPTION

Davco *Sanitized*® Tile & Grout Sealer is a solvent-based penetrating sealer that protects against stains, soiling, discolouration and efflorescence. It is a clear solution, which cures to an invisible, water repellent coating. Davco *Sanitized*® Tile & Grout Sealer will not change the colour of the tile or grout.

USES

- *Sanitized*® Tile & Grout Sealer can be used on all wall and floor grout joints, in both internal and external applications.
- *Sanitized*® Tile & Grout Sealer must only be used over cement based grouts.
- Can also be used over most unglazed porous ceramic tiles.

FEATURES AND BENEFITS

- *Sanitized*® Tile & Grout Sealer is easy to apply and does not require any special tools.
- The specially formulated chemicals in *Sanitized*® Tile & Grout Sealer protect grout joints and tile surface from soiling and staining, and reduces water absorption of cement based grouts and porous ceramic tiles.

SURFACE PREPARATION

Ensure all grout joints and the tile surface are thoroughly dry, clean, free from dirt, dust, grease, oil, wax and any other loose contaminating material.

APPLICATION

- *Sanitized*® Tile & Grout Sealer can be applied with a brush.
- Allow 5-10 minutes for the sealer to penetrate the surface, then wipe off excess with a dry cloth.
- Allow the sealer 24 hours to cure prior to putting the area in use.

PRECAUTIONS

Do not flood the floor with *Sanitized*® Tile & Grout Sealer, only apply in small sections at a time.

COVERAGE

Sanitized® Tile & Grout Sealer covers approximately 6 - 10 m²/L depending upon surface porosity and site conditions.

CLEAN UP

Excess *Sanitized*® Tile & Grout Sealer and tools can be cleaned up with mineral turps while the product is still wet.

PACKAGING

Sanitized® Tile & Grout Sealer is available in 0.5 litre containers.

SHELF LIFE

Up to 12 months in unopened containers, stored in a cool, dry place.

FIRST AID INSTRUCTIONS

If swallowed, do NOT induce vomiting. For advice contact a Poisons Information Centre (Australia Ph: 131 126) or a doctor (at once).

SAFETY DIRECTIONS

- Avoid contact with eyes.
- Wear eye protection when mixing or using.
- Avoid contact with skin.
- Wear protective gloves when mixing or using.
- Wash hands thoroughly after use.
- Ensure adequate ventilation when using.
- No smoking.
- Keep away from heat, sparks and naked flames.

TECHNICAL DATA

Properties:	
Appearance:	Thin Liquid
Specific Gravity:	1.0kg/L
Colour:	Clear
Drying Time:	24 hours
